### HIRES' ROOT BEER.

I' IS A HOMEMADE AND HOMEMAKING BEVERAGE. It is very easily prepared, and if the plain directions are followed, it will always be good. Every member of the family, from the baby to the grandfather, can enjoy HIRES' ROOT BEER, and every one of them will have better health for each swallow they take. It improves the appetite, purifies the blood, and tones the whole system. Children especially delight in Hires' ROOT BEER. Its preparation interests them, and its use does them good. In thousands of homes, "HIRES' ROOT BEER that mother made," will be among the happiest recollections of childhood. It cleanses the system of the poisonous humors that develop in kidney and urinary diseases, and in fact, in any case that arises from an impure state of the blood.

Distinctly understand HIRES' ROOT BEER is without adulteration or any chemical or artificial admixture -- we prove it-it is made in our open Laboratory. No secret process. We take the best Herbs and Roots, boil them down, bottle them and send them to you. Perhaps there isn't another Root Beer Laboratory in the country open to public eye. Everybody knows HIRES' ROOT BEER-chemicals can't approach nature. Will you use natural R-10t Beer and satisfy your thirst and strengthen your body, or will you use artificial Root Beer to save a few pennies and ruin your health? There is ten times as much HIRES' Root BEER sold than all other Root Beer extracts combined.
